GLOBAL NETWORK FOR
ADVANCED MANAGEMENT

WHAT WE OFFER

Outstanding curriculum focused on mastering managerial and leadership skills	Seventeen-month program designed to integrate with your professional life, 13 months for courses and 4 months for an individual project
Immersive, two-week, full-time modules, at the beginning and end of the program	Coaching for leadership program, teamwork and leadership workshop and communications skill seminar
In between those full-time modules classes take place on Saturdays along with some Fridays from 9:00 to 6:00 on Koç University Campuses	Guest speakers from industry leaders and top academics

WHAT YOU BRING

The desire to take on a challenging degree program while continuing your professional life

STRONG INTERNATIONAL CONNECTIONS

GLOBAL NETWORK FOR ADVANCED MANAGEMENT

A powerful platform with 32 of the world's leading business schools

Connect, Collaborate, Innovate

- ▶ In 2012, Koç University joined business schools around the world to found Global Network for Advanced Management, a global initiative to connect leading business schools, their resources and their stakeholders.
- ▶ A powerful platform for collaboration among students, faculty and alumni based on networked learning, networked inquiry and networked education.

Global Network for Advanced Management Benefits

- ▶ Global Network Weeks
- ▶ Global Network Courses
- ▶ Certificate of Excellence in Global Business
- ▶ Global Virtual Teams
- ▶ Global Network Investment Competition
- ▶ Student-organized events and competitions
- ▶ Global Network Survey
- ▶ Global Network Cases
- ▶ Global Network Perspectives

Yale MAM Program

- ▶ As a Koç University EMBA or MBA student you will be eligible to apply for the Master of Advanced Management (MAM) program at Yale School of Management.
- ▶ For more information, please visit som.yale.edu/programs/mam
